**Shipping? (Ground / 2<sup>nd</sup> Day / 3 Day Select/ Other)** \_\_\_\_\_

*By default shipping is via UPS ground. For single heater orders (within Continental U.S) the standard shipping fee is \$14.95. For multiple heater orders or shipping to AK, HI or Canada shipping is calculated by zip code. Please email or call Customer Service during office hours to determine actual shipping costs or visit our website at www.eheat.com and use the UPS shipping calculator on the home page sidebar.*
